

Patel Material Handling Equipment

Corporate Brochure

We are one of the trusted manufacturers of hydraulic handling equipment, drum handling equipment, aluminum ladders, platform trucks, hand trucks & all type of material handing equipment as per customer requirement.

Patel Material Handling Equipment

- Profile -

Patel Material Handling Equipment is a leading manufacturer and supplier of material handling equipments in India. We put in our best efforts to provide most innovative material handling products to give our customers the utmost satisfaction of quality at competitive prices. Our hydraulic equipment, drum equipments, aluminum ladder, platform truck, hand truck, crane, hoist & wheels, cylinder truck are the best quality products which can satisfy the bulk material handling requirements of various industries like pharmaceuticals, chemicals, textiles, petroleum, bulk drugs, sugar, steel, power, food processing, engineering, paper and printing. We have large base of clientele in different parts of India and overseas.

The cornerstone of our success lies in a proactive management & excellent product quality. We take care to implement the best industry standards to provide total customer satisfaction. Our services reflect our integrity, innovation, passion, respect and excellent performance for our clients. We have a team of highly experienced and qualified engineers to cater the needs of our valuable customers which has helped us to evolve as a trusted brand all over the country. The value of our products is defined through our commitment to customers which includes product design, technical support & after sales support.

Pallet Truck:

We are well established manufacturers and suppliers of a wide range of "Hydraulic Hand Pallet Truck, Hydraulic Pallet Truck, Hydraulic Pallet Trucks, High Lift Pallet Truck, Pallet Truck, Hand Pallet Truck, Hydraulic Hand Pallet Trucks, High Lift Pallet Trucks, Hand Pallet Trucks, Pallet Trucks". These are manufactured under the guidance of our experts and by using best grade raw materials.
